Science Night

A big THANK YOU to all who
attended science night last
night. The students had an
absolute blast experimenting
with all sorts of science
equipment.
Paper Plane Competition

On Friday 15th May Student Voice members held a paper plane competition in the stadium at lunch time.

Bandicoot Mascot

At Gray Street, we follow the 3B's: Be Safe, Be Respectful and Be Responsible.

With thanks to Ms Brown and the School Wide Positive Behaviour Team, we would like to introduce to you BRUCE BANDICOOT to help remind us of our jobs as safe, respectful and responsible students at school.

The bandicoot has been chosen as it is a special, endangered animal to our area. Keep your eye out for Bruce around the school soon.

HRL Art Gallery Art Exhibition

Our students have been given the fantastic opportunity to exhibit their artwork in the HIRL Art Gallery, 101 Gray St Hamilton in May and June. The exhibition will commence with an ‘Opening Night’ celebration on Wednesday 27th May @ 6pm. Our student's artwork will then be exhibited until June 14th. Due to limited space, only the students who return their parent permission form along with $5 entrance fee to the office by Thursday 21st May can be submitted for entry.

I look forward to seeing our student's amazing and unique artwork exhibited in a public arena. Drop into the gallery on these dates and support our Gray St students.

Emma Brown.

In The Artroom.....

Grade 5 students have been busy designing and decorating ‘positivity’ flags on calico. Students came up with their own designs, symbols and pictures and drew them onto the calico fabric with special fabric markers. Many students worked with the concept of ‘good luck, good wishes, never give up, peace, happiness’. These flags are hanging up outside the main building, near the canteen and toilets. Well done grade 5s! :)

Maths Problem Solving

Last Week’s Question and Answer

Which number divided by 5 is the same as that number minus 5?  Answer - 6.25

This Week’s Problem

Jim threw eight coins.  Three times more coins landed heads up than the number that landed tails up.  How many coins landed heads up?
