School Production
Monday 12th & Tuesday 13th December

The school has been abuzz this week with school production rehearsals.

Both productions will be the same except that all awards (Semper Sursum Awards for students in grades prep to grade 5, 2017 Leadership positions and the Daniel Hodgson Award) will be announced at the conclusion of the Tuesday night.

Production Arrangements

The arrangements this year are different to previous years. To streamline and to ensure the safety of students, the arrangements this year are different to previous years.

- Parents are required to drop their child off at the door entrance to the PAC Supper Room, where Maree and Leesa will mark students as present.
- Students will proceed into the supperroom by themselves where they will be seated in grade order.
- The outside entrance door from the carpark will not be available for entry.
- Children are to come dressed in their appropriate costumes or as directed by their teacher.
- All students will be required to attend both concerts
- PAC doors will be open at 6.00pm.
- All students must be at the PAC no later than 6.30pm.
- Due to the limited space and supervision of children in the supper room, parents/carers are unable to be in the supper room before and whilst the performance is on.
- We will be starting promptly at 7pm.

It is anticipated that the concert will finish at approximately 9.00pm on the Monday night and approximately 9.30pm on Tuesday night.

Last year many parents, quite wisely and appropriately, chose to allow their child to stay home on the Tuesday and Wednesday. The days off after latish nights provided a good opportunity for children to rest-up. Even though Tuesday and Wednesday are not officially a day off for students, parents may choose to give their children, whatever their age from preps to year 6, the rest days.

Pick-up of students after the concert concludes. All students will be collected from the supper room at the conclusion of the concert.
PARENT PAYMENTS/BOOK BOXES

All parents were provided with a hard copy of the 2017 parent payment letter last week which is required by DET, to be released before the end of the 2016 school year. This letter explains the breakdown of costs which consist of, Essential Student Learning Items (required to be paid by all parents) and voluntary financial contributions. Unfortunately education is not free but it is the best investment you can make for your child’s future, socially, academically and economically. The old adage of, you get what you pay for, is reflected in what we provide at Hamilton (Gray St) for your child’s/ren’s educational experiences. These charges not only provide for curriculum opportunities but also contribute to a safe and stimulating learning environment. If you have not returned the form as yet, please do so on Monday 12th December.
