Grade 5 & 6B Newsletter

Ms Lisa Ferrier

Grade 5 Specialist subjects and teachers:
Monday: 5/6 Sport
Wednesday: Art & Library (Ms Brown) Music (Mrs H)
Thursday: Physical Education (Mrs McGinley) ICT (Mrs H)

Homework:
Encourage your child to be organized and develop good habits in completing their homework.

Homework will be given out on a Monday and needs to be completed by Friday.

Each week Grade 5 & 6 students will have:

- Weekly Spelling words
- Reading on a daily basis (some children will need more encouragement to read daily. Please record completed reading in their diaries)
- English - 15/20 mins (for e.g. grammar, vocabulary, sentence, comprehension)
- Maths - Mathletics or teacher provided (15/20 mins)
Diary

All Homework is recorded into this and any notes from their class teacher. Parents should check their child’s diary weekly and sign please. Parents are welcome to write comments or notes to me.

Learning Journals

At the end of the each term, your child’s Learning Journal will be sent home. Please sign and comment on your child’s progress. This is great way to keep track of your child’s progress each year.

Writing

This year our students will continue to display their writing on large boards in the Open Learning Area in the main building. Each piece of writing will have all the stages, from planning to their draft or publication. Currently, on the board there is our class motto and some information about each child!

Please come and look at these displays regularly and praise your child for their efforts.

If you have any concerns or queries, please contact me as soon as possible. So we can endeavour to help or answer your question. I am available before and after school or I am just a phone call away.

Looking forward to great year of Learning

Lisa
